Gert delivered our Club shirt order at the May meeting. For those of you who weren't there, please stop in at the Cove and pick up your order. The Club shirts were a great success. We still have a few items available for purchase – 2 white Dive Team T-shirts (L & XL); 2 gray Dive Team T-shirts (2 in XL & 1 in L); 4 gray hooded sweatshirts (all XL); and 5 gray sweatshirts (all XL). Gert will be placing another order on May 21 so contact him at www.nitroxplus.com or call him at home if you want something that's not listed above. Don't forget the T-shirts are \$11, the sweatshirts are \$16, and the hooded sweatshirts are \$20. Most sizes are available. I ordered one for my grandson in a toddler size, and we've placed orders for XXL, XXXL, and larger so there is no excuse for not buying official Buccaneer clothing, especially when you consider that you can get almost any color under the rainbow. The navy blue shirts with the white & red logo are particularly sharp. Indicate *Surface Support* or *Dive Team* for the front of your shirt. Again, hopefully, you will be able to pick up your order at the next meeting.

PAST DIVES & EVENTS

March 31 –To help the Club defray the expense, members present for the pool dive are asked to pay \$5.00. Please pay at the next meeting.

April 22 - Pewaukee Lake - Dive cancelled due to questionable weather.

April 27-29 – Members attending Our World Underwater were Pam Burton, Gert G., Charles G., Jerry G., Jitka H., Tim K., Bob L., Wayne M., Max, R., Scott R., Chris R., Lani, R., Bob S., Julie V., and Dan V. Wow! That's more Buccaneers in one place than I've seen in a long time.

UPCOMING DIVES & EVENTS

It's time to get this dive season going. The viz at Nagawicka Lake this past weekend was 30 ft.

May 19/20 – Pewaukee Lake. This will be a shore dive, either Saturday afternoon or sometime on Sunday. Call Pam Burton.

May 19/20 – Lake Wazee will be either a day trip or an overnight camping trip depending on the weather. If interested, call Gert.

May 23 & 30 - Nitrox class. I highly recommend taking this class before going to Mackinaw & Whitefish Point. It's not too late to get your name on the list. If you have any other questions, you can call Gert or contact him via www.nitroxplus.com

Before each dive, call the person in charge in case there are some last minute changes

OTHER ACTIVITIES IN THE PLANNING

Tom Boyle and I have been checking on the rental of pontoon boats at Pewaukee Lake for this summer. It looks like we can get a boat for \$35/hr. with a minimum of 2 hours. This should accommodate 6-8 divers. We'll set up a boat dive for June.

June 30 – Brewer Game. Let's have some FUN-FUN-FUN. Here's an outing for the entire family. We'll meet for a tailgate party around 3:30 pm and the game will be a 6:30 pm. If interested contact Gert no later than the June meeting so we know how many tickets to get and how much food to buy.

July 21 & 23 – Lake Wazee Dive and Camping

Aug. 3,4,5 - Dive the wrecks of the Cedarville, Barnum, Northwest, Sandusky, and/or Eberward. We need a few good divers for a trip to the Straits of Mackinaw and Whitefish Point. The cost will be \$70 for a two-tank dive, and the boat will hold 5 or 6 divers. With the boat going out twice each day, we should be able to accommodate most skill levels by scheduling the tech divers and sport divers at different times. Nitrox is definitely a plus. Contact Gert.

Sept. 29 & 30 – Lake Wazee Tree Dive

THE QUESTION FOR TODAY IS

Is Tim K. really Pam B's son?

RUMOR HAS IT

Gert and Wayne have carried this "dive buddy" business a little too far.

Max needs a new alarm clock.
