INFORMATION:

Wednesdays: Afternoon dive charters are a good way to enjoy a single wreck dive charter. We load the boat starting at 4:30 PM and depart right at 5:30 PM every Wednesday. As you can see by the schedule we alternate between the Willie and other Milwaukee area wrecks. Depending on the wreck location we return between 8:00 PM and 9 PM. **Cost per trip is \$90.00 or save money with a 4-dive package for \$325.00.**
