

LENDER TRAINING CHARTERS 2021

These are for new divers to get more times to learn safe diving in fresh water. We plan on making them boat charters unless the weather makes it necessary to go to an inland lake. If we do use the Lender for a lake Michigan dive the cost is $\frac{1}{2}$ the regular charter fee.

These are open to all certified open water divers. They can count towards any PADI rating. They are usually to depths less than 50 feet. They can be to shipwrecks or the break wall in Milwaukee Harbor waves permitting. If bad weather is predicted we will be going to Nagawicka Lake Beach to conduct the dives. The cost for these dives are \$40.00 if on Lender and \$20.00 at Nagawicka Lake. All equipment rental is $\frac{1}{2}$ price at Pirates Cove Diving.
