INFORMATION:

Wednesdays: Afternoon dive charters are a good way to enjoy a single wreck dive charter. We load the boat starting at 4:30 PM and depart right at 5:30 PM every Wednesday. As you can see by the schedule we alternate between the Willie and other Milwaukee area wrecks. Depending on the wreck location we return between 8:00 PM and 9 PM. **Cost per trip is \$90.00 or save money with a 4-dive package for \$325.00. 10 dive package \$750.00.** We limit the number of divers on each charter to 6, so sign up early.

Thursday: Kimm's survey charters are booked by calling John 262-993-2764. These are special charters for surveying a shipwreck, see main schedule for dates.

Last Thursday of month: New diver charters at special reduced rate of \$60.00. Special rental gear rate of \$60.00. Call PC 414-482-1430 to sign up. See main schedule for dates.
